

ST JOSEPH'S INSTITUTION OLD BOYS' ASSOCIATION

Message from the President, SJOBA

19 April 2010

My Fellow Josephians

The SJOBA AGM on Friday, 26 March 2010 brought forth a lively and passionate discussion on The Positioning of SJI.

We have also received numerous feedback from Old Boys sharing their thoughts on the same.

To bring all these diverse views together in a constructive mode, the SJOBA is forming a committee to be a single voice that will bring forward recommendations to the SJI Board of Governors.

The SJOBA will form a committee to collate all the diverse views and opinions, and present them to the SJI Board of Governors, for its consideration and sole discretion, so as to assist the school in pursuing its mission for the greater good of all its stakeholders.

The SJOBA is in the process of finalising the selection of the committee and its Terms of Reference. Check the SJOBA site for announcements at a later date.

Let us always remember that we are here to serve our alma mater.

Ora et Labora

Philip Seah
President
SJOBA
